### **Fishing Season 2024**

Each fish will be tagged with a safe removeable tag containing your business, organization or family name. Each trout will be placed in several local areas of our Lehigh River promoting excitement for the anglers fishing locally. Anglers will remove the tag from the trout and take the tag to the WHITE HAVEN MARKET and receive a \$25.00 cash prize! Posters will be updated as the trout are caught throughout the season and posted in the windows of our sponsors as well as our social media pages/website. A main banner will be displayed with all sponsors by the caboose and updated throughout the season.
